

Mobile Media Marketing

Connect with your fans the way they connect with the world – through Smartphone Text Communications & Mobile Applications!

We can personalize a texting campaign or develop a customized mobile application that will engage your fans!

**Last Minute Gig?
Personal Video?
New Song?
Discount Offer?**

Your fans can easily be organized by city, state or venue. *When and wherever* you perform, you will be able to text a personal message that will motivate your fans and street team into action.

**Build Your
Brand &
Engage Your
FANS!**

“Smartphones are reinventing the connection between companies and their customers.

CREATING COMMUNITY CONNECTIONS

**Boost Ticket
Sales!**

~ FACT ~

“97% of mobile subscribers will read a text message within four minutes of receipt.”

- Jeff Hasen, Hipcricket

**Increase Fan
Sharing & Loyalty!**

“

It no longer makes economic sense to send an advertising message to the many in hopes of persuading the few.

M. LAWRENCE LIGHT
FORMER CHIEF MARKETING OFFICER
MCDONALDS

Get smart about HOW and WHEN you connect with your fans. Targeted marketing gives your fans the information *you* want them to have, *when* you want them to have it! Our permission based text messaging service allows you to be and stay creative.

The possibilities are limitless!
